

JOB POSTING: Diesel Mechanic

About AMS Grounds

AMS Grounds is an outdoor services company based in Ypsilanti, MI that specializes in three divisions: commercial snow management, pneumatic blower truck applications, and local haul trucking. With over 20 years of experience, we pride ourselves in having a reputation for delivering exceptional quality services and professionalism.

Job Description

We're looking for an experienced diesel mechanic that can ensure minimal downtime and DOT compliance on our fleet of trucks that are used for local materials hauling.

Responsibilities

Perform inspections, preventative maintenance, and repairs on semis, dump trucks, trailers, and other heavy equipment

- Keep track of the maintenance work on vehicles
- Maintain a safe and clean work environment
- Coordinate and oversee repairs that need to be sent to an outside shop

Required Qualifications

- Certified Diesel Mechanic
- Minimum of 3 years' experience working on heavy trucks and equipment
- Ability to work independently with minimal supervision
- Must enjoy working in a fast paced environment and be comfortable with shifting priorities
- Proven problem solving skills and strong communication skills
- CDL A or B is preferred

Work Schedule

- Expected schedule of 45-60 hours/week. Flexibility is required
- Some evenings and weekends will be required to ensure minimal downtime of trucks.

Compensation

- \$50,000 - \$70,000 salary, commensurate with experience
- 2 Weeks Paid Time Off
- Professional Development Budget
